COME NOW the parties in the above-captioned matter, GS Cleantech Corporation ("GS") and Pacific Ethanol, Inc. ("PEI") (together, the "Parties"), and submit this joint motion to extend the November 22, 2013 deadline for the parties to exchange claim terms and claim elements for construction, and in support thereof state as follows:

1. The deadline for the Parties to exchange claim terms and claim elements for construction is November 22, 2013.
2. On August 29, 2013, this case was the subject of a Conditional Transfer Order (CTO-3) issued by the United State Judicial Panel on Multidistrict Litigation (the "Panel"), conditionally transferring this case to MDL in the Southern District of Indiana for coordinated pretrial proceedings. PEI thereafter filed an Objection to the transfer. The Panel is scheduled to consider that Objection on December 5, 2013. The Parties herein therefore move this Court for the above extension until the Panel has determined whether this case will proceed in this District or in the Southern District of Indiana.
